## **WARNING**

**MOTOR SPORT IS DANGEROUS AND PERSONS ATTENDING  
THE MEETING DO SO ENTIRELY AT THEIR OWN RISK**

It is a condition of admission that all persons having any connection with the promotion and/or organisation and/or conduct of the land and the drivers and owners of the vehicles, are absolved from all liability arising out of accidents howsoever caused resulting in damage and/or personal injury to spectators or ticket holders.

### Final Instructions

The paddock will be at the top of the hill, with signing-on in the Container on the left.

The trial will consist of two laps of about 20 sections each lap - provided we get sufficient observers. If you are bringing someone who is willing to be a section observer, we will be delighted to see them. Could they make themselves known at the signing on desk by 10.00am, please.

Sections will be clearly numbered - please make sure you visit each one on both laps. Because of the "compact" nature of Canada Heights, awards have been missed by riders bypassing a section by mistake.

#### IMPORTANT NOTES:

- No machines are to be ridden before a rider's actual start. Engines may be started for warming up, but **NO** riding, except to the start by the shortest route.
- Please ensure you bring your valid ACU Competition licence when you sign on.
- There is never a requirement to **sign off** at the end of the trial.
