Timed Qualification for solos and sidecars:

Sidecars: The sidecar team with the fastest single lap time will go to the start line for each race first, then the second fastest, and so on.

Solos: Experts are evenly divided into Qualification Heat 1, 2 and 3.

Non-Experts have been randomly placed into Qualification Heats 1, 2 and 3.

All riders (Experts and non-Experts) are timed, and the 15 fastest single lap riders from each heat will be in Allcomers Group A. The next 15 from each heat will be in Allcomers Group B, and the third 15 from each heat will be in Allcomers Group C.

After Qualification there will be a short break to calculate the riders for each group. These will be printed and displayed at the Barn.

Tear-Offs: No tear-offs are to be used at any event at Canada Heights.

Venue Rules:

These apply to all events run by the Sidcup Club.

Off-track speed limit 10 m.p.h.

No open fires, no pit bikes or riding of electric motorcycles, scooters, Revvis, Osets, etc.

No riding of electric assisted pushbikes unless authorised by the Club.

Because the event is held on private property, it does not place it outside the Road Traffic Act in terms of insurance. It cannot be stressed too strongly that liability for a substantial claim could rest with the owners of the vehicle and the driver (or parents in the case of a minor) in the event of an accident. This applies in the paddock and all areas surrounding the circuit.

General: PLEASE do not leave litter on Canada Heights. We have all the track to clear up after the event, so we don't want to clear up your rubbish as well!
